

All Breed Health Clinic

Hosted By The DPCTZ

Sunday, Feb 21, 2010

9 am to 5 pm

Location: Belle Mead Animal Hospital

872 route 206

Hillsborough NJ 08844

Directions on website: www.bmvet.com

Tests: *Cardiac testing* available with Nancy Morris, DVM DACVIM (Cardiology) – echocardiograms and 24-hour Holter will be available. Dr. Morris has been invited to consult for the club, all results are confidential. Interpretation of private Holter results also possible. All dogs must preregister with Dr. Morris as well as DPCTZ, and please bring AKC registration and proof of permanent ID. Preregister with Dr Morris at http://www.heartlightdobermans.com/clinic_sign_up.htm

BNP Blood Testing

OFA Thyroid panels through Antech Laboratories. Please bring AKC registration and proof of permanent ID. Please include a separate check made out directly to the OFA.

CERF testing with Joshua Seth Eaton, VMD, Diplomate ACVO– dogs must be over 7 weeks old. Please bring AKC registration and proof of permanent ID. All results confidential, CERF forms included.

CGC testing available on a limited basis.

Microchipping available as well.

All attempts will be made to accommodate those who are having multiple tests performed – no guarantee can be made as to scheduling. Questions, concerns or want to register? Contact Kim Somjen at ksomjen@yahoo.com or **973 713 7781** Registration deadline 2/14/09 All confirmations and times for the clinic will be sent by email. If you would like yours by mail, please include a SASE.

By signing below, I release the Doberman Pinscher Club of the Tappan Zee, its members and agents, Belle Mead Animal Hospital, its employees, and all participating veterinarians from any injuries or losses sustained during this event. I also understand that these veterinarians are being brought in as consultants and follow-up care, if deemed necessary, will need to be provided by my own veterinarian.
